Subject: Construction Activities on LPT's 2301 Renaissance Boulevard Property

This project status report covers on-site work completed on the subject property on 5/19/01 and planned for completion on 5/21/01.

Work Completed on 5/19/01

The construction of Basin No. 2 was continued on Saturday. Also, the continued backfilling of the building foundation and the stripping of top soil on various parts of the site were completed on 5/19/01.

Anticipated Work for 5/21/01

Due to the weather, there will be no construction activities implemented at the site today.

Potential Issues

No issues of potential environmental concern were identified at the site on 5/19/01.

Please feel free to give me a call if you have any questions regarding the contents of this project status report or if you require additional information.
